Waiver and Assumption of Risk Relating to Coronavirus/COVID-19

This is an acknowledgement of the inherent risk of exposure to COVID-19 that exists in any public place where people are present. The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness, and is especially serious in the elderly population. As a result, the Farmingdale Adult Day Care has put in place preventative measures to reduce the spread of COVID-19. These procedures have been outlined in the accompanying Health & Safety Policy one-page handout that you are receiving today. These procedures are in accordance with the guidelines outlined by the Center for Disease Control (CDC). However, FADC cannot guarantee that our staff and participants will not become infected with COVID-19. Exposure or infection may result from the actions, omissions, or negligence of our staff, participants, or others. Please read the FADC Health & Safety Policy handout that accompanies this waiver. We expect all of our participants to follow the outlined procedures. We care about you, your family, our volunteers and staff. With your help, we will adhere to the CDC guidelines and the policy set forth.

_____

I have received Farmingdale Adult Day Care Health & Safety Policy handout, and have read and understand the above warning concerning COVID-19. I will abide by the policy set forth to the best of my ability, and I hereby choose to accept the risk of contracting COVID-19 in order to utilize the services at the Farmingdale Adult Day Care.
